

Hotel Le Tre Vaselle

Meetings & conferences

An ideal meeting place thanks to the high quality of the facilities and of the hospitality, Hotel Le Tre Vaselle boasts a conference center with 11 rooms of different sizes, located on the various floors of the building. All rooms are equipped with modern technology and guarantee the absolute privacy of guests.

Conferences, meetings, round tables, business lunches: these can all be accommodated for up to 200 participants, according to requirements. Three parking areas (covered and not) for exclusive use and the possibility to organize coffee and refreshment breaks. Each meeting room has available a press room, podium for speakers, microphones, director's room, reception desk, telephone, photocopier, projector, large-screen TV, amplification with audio mixer, wardrobe and decorative welcome (baskets of flowers and fruit). It is also possible to request internet connection, data display and LCD projector, hostesses, PC's and printers, as well as technical assistance.

Besides the conference center, there are numerous conversation areas: relaxing and private corners favouring dialogue or simply for a reflective pause. There are many of these scattered everywhere, both indoors and in the outdoor gardens: welcoming and charming "non-places" that guarantee the utmost privacy and isolation. And finally, true repose that includes but goes beyond the comfort of suites and deluxe rooms for those who stay overnight: the enchantment of nature is at home here, along the corridors decorated with paintings and trompe l'oeil, or gazing out of the windows and taking in the infinite shades of green in the Tiber-river valley.
