

## Hotel Le Tre Vaselle

### Weddings and events

Whether it's a wedding, a special anniversary, a graduation or a birthday celebration, if organized by Hotel Le Tre Vaselle, it will be a fairy-tale reception.

For the people being feted, first of all, who will have no worries and can enjoy the day to its fullest. And for the invitees, surrounded by a charming and relaxing atmosphere that will charm and include everyone in the magic moment. Hotel Le Tre Vaselle excels in this sense as well: warm hospitality, great professionalism, attentive personnel, discretion and a complete offer for weddings and events, with the possibility of hosting up to 250 guests.

Along with this enchanting setting is the certainty that, be it a standing reception or a complete seated dinner, even the tiniest details are attended to with refined elegance: hand-woven tablecloths, porcelain- and crystal-ware, and fresh floral arrangements. Not to mention a menu that will delight even the most demanding palates: savoir-faire and passion animate the cuisine, where the chefs' creativity is able to interpret and enhance the flavours of Umbrian culinary tradition, juxtaposing them with new creations. The wine list is also excellent, for toasting with the best labels. Among which, of course, the wines of the Lungarotti estate stand out.
